

## POST INSTALL INSPECTION FOR COMMISSION of YOUR NEW AFSS SYSTEM

Please inspect and record the following information on each AFSS system installed.

This information must be entered on the **Fire-Gator™** website in the <u>Dealer Portal</u> under <u>File</u> <u>New Inspection or mailed back to FireGator™</u>. You will receive a sticker with a Commission # after approval by Fire-Gator™. Systems must be Re-Commissioned bi-annually to remain in compliance.

Date of Installation / Inspection				
System Dealer / Supplier				
School District				
School / Company Name				
Make				
Model				
Year				
VIN				
nspector/Installation Technician				
nspector Contact email/phone
